“PREPARE NOTES”

THOMAS ACKERMANN,
SMWS MEMBER,
SWITZERLAND

“A home tasting is a great way to find like-minded people. I have made many new friends who share this passion with me. The whiskies may speak for themselves, but people usually need some explanation, as they may not normally drink cask strength whisky. It’s fascinating to see how people recognise different tastes in every round.”

“GO FOR VARIETY”

OLAF MEIER,
SCOTLAND
AND GERMANY

“The 12 flavour profiles of the Society’s whiskies are a great help in selecting different styles of whiskies, but you can also choose by different maturations from different kinds of casks. That also gives you different colours from the whisky, and there’s nothing nicer for a feast of the eyes if you have a range of colours in the glasses right at the beginning.”
